MOTION TO PROCEED  
IN FORMA PAUPERIS

Now comes \_\_\_\_\_ and moves this court for an order granting the privilege to proceed in forma pauperis. \_\_\_\_\_ makes this motion on the grounds that his/her indigency prohibits the payment of filing fees and court costs for this action.

\_\_\_\_\_ acknowledges that the Court shall undertake further review of the issue of costs and make a final determination regarding payment at final hearing on this matter. I have also attached a Financial Disclosure/Affidavit of indigency for the Court to consider.
